## 25th April 2025

Dear families,

We hope you all enjoyed a restful and joyful Easter break filled with family, friends, and fun. As we return to school, we are excited to welcome back our children and continue our learning journey together. This term promises to be full of engaging activities and opportunities for growth, both inside and outside the classroom. We are committed to supporting every child in reaching their full potential.

Having looked at the weather forecast, it looks as though we are going to have some lovely weather next week. We want to ensure that all our pupils stay safe and comfortable during their time at school and enjoy the warmer and sunnier days. Please make sure your child comes to school with a sun hat and a refillable water bottle to stay hydrated throughout the day. We advise applying sunscreen before they arrive in school. Our staff will encourage regular water breaks and ensure children have access to shaded areas during outdoor activities. Let's work together to keep everyone safe and make the most of this beautiful weather!

The safety and well-being of our children is a priority for us. We kindly ask for your cooperation during the busy beginning and end of the school day. Please ensure that your children remain with you and do not attempt to leave the school grounds without your supervision once you have collected them. We also remind everyone that bikes and scooters should not be ridden within the school grounds, whether by children or adults, to prevent accidents and ensure a safe environment for all. Thank you for your understanding and support in keeping our school community safe and orderly.

Let's make this term a memorable and successful one!

Kind regards

Ms Abbott

# ★ Stars of the week! ★
