

Being Kind Online

Can you re-write these statements and sort them into 'being kind online' or 'being unkind online'?

Sending a thank you email for your birthday present	Facetiming a friend because you thought they looked sad at school	Using your mobile device to video someone falling over at the park
Emailing a photo of your work during home schooling to your grandparents	Posting mean comments about a youtube video	Saying good morning to your friends before a lesson on Microsoft Teams
Sending happy face emojis to your friends on a chat	Sending a text message to your family who live far away to tell them you miss them	Saying that your friend is rubbish whilst playing a video game

Being kind online	Being unkind online
